Important Details for our Volunteers:

- 1) **Age Requirement.** We are only able to allow volunteers that are age 15 or older to participate in this event.
- 2) **Location.** The event headquarters are housed in the large White Maintenance Building behind the Murray Parks & Recreation Office (296 E. Murray Park Avenue), which is immediately to the south of the swimming pool entrance. There will be plenty of parking on the south side of the office. Check-in at the White Maintenance Building as you arrive each night.
- 3) **Dates & Times.** The schedule of dates and times when volunteers are needed for our event are as follows:
 - **Setup Party:** Saturday, October 22nd 10:00 am to 1:00 pm
 - **Event Night 1:** Monday, October 24th 3:30 to 9:30 pm
 - **Event Night 2:** Tuesday, October 25th 5:00 to 9:30 pm
 - **Event Night 3:** Wednesday, October 26th 5:00 to 9:30 pm
 - **Cleanup Party:** Saturday, October 29th 9:00 to 11:00 am
- 4) **Volunteer Check-In.** All volunteers are asked to check-in at the White Maintenance Building when you arrive, and to check-out when you leave. If you are with a club or organization, check-in is required to allow for time tracking.
- 4) **Daily Staff Meeting.** We invite all volunteers to attend a brief staff meeting each event night (Oct 25-27) outside of the White Maintenance Building (south of the pavilion) from 5:15-5:30. Then, volunteers are invited to take their places.
- 5) **Costumes and Make-Up.** The Haunted Woods asks its volunteers to come dressed in costume before they arrive. Unfortunately, extra costumes and make-up won't be available. Note that our event features a "Silly Trail" from 5:30-7:00 pm, and then we become a "Spooky Trail" from 7:00-9:00 pm for those who want to get scared. We can make most costumes and make-up work for both trails. If possible, make-up is preferred over masks.
- 6) **Refreshments.** At the end of each night, volunteers are invited to enjoy a hot cocoa and a donut.
- 7) **Clean-up.** Volunteers are asked to stay an additional 15-30 minutes on the final event night (10/27) to assist with clean-up. All volunteers will be asked to bring all decorations and supplies into the White Maintenance Building before leaving.
- 8) **Weather.** The Haunted Woods never closes - no matter what the weather. But, rain or shine, it is likely to be cold. Please dress warmly, no matter what volunteering assignment you receive.
